

# Wrong Way

Lalah Hathaway

(1st Ver)

Soaked in the rain even through her coat  
Rushed out the door no where to go  
Even though, She knows  
She still along that wrong road  
She still gotta go...  
And sometimes we lie  
Right into the mirror  
And our reflections try to let slide  
Because it easy yeah...

(Hook)

Sometimes, Somedays don't you go the wrong way?  
Cuz I know, Sometimes I... don't be Lazy Free

(Chorus)

Holding the map the Wrong Way  
Running from every where  
Where ever the wrong way map goes...  
It's gotta be better than here

(2nd Ver)

One way signs, she makes a right  
Dangerous sign, she risk her life  
Even though, She knows can't fly  
She opens Both...  
Her Arms to Try...

(Ad Lib)

Ohhh... I...

(Hook)

Sometimes, Somedays don't you go the wrong way?  
Cuz I know, Sometimes I don't be Lazy Free

(Chorus)

Holding the map the Wrong Way  
Running from every where  
Where ever the wrong way map goes...  
It's gotta be better than here

(Bridge)

And If your lost out there  
Might See Her  
Lookin Like she's Cryin  
But after where she's been  
Those are tears joy  
All the years of Tryin

(Ad Lib)

Yeah...

(Hook)

Sometimes, Somedays don't you go the wrong way?

(Chorus)- Repeat

Holding the map the Wrong Way

Running from every where  
Where ever the wrong way map goes...  
It's gotta be better than here
