

Haunted

Lalaine

I miss you already ain't been that long
I feel so neglected when you don't call
When you're not around I don't feel safe
It's all wrong, I'm so afraid

I wanna be wanted
Like I want you right now
I need to be needed
I wish you could see somehow
By your love I'm haunted
Haunted

It scares me to feel this way I do
I'm over my head over you
The moon's so full I feel its light
Without you nothing's right

I wanna be wanted
Like I want you right now
I need to be needed
I wish you could see somehow
By your love I'm haunted
Haunted

In my heart there's an empty place
In the dark I still see your face
In my dreams night and day

I wanna be wanted
Like I want you somehow
I need to be needed
I wish you could see somehow
By your love I'm haunted
