

## More Than Words Can Say

Lalaine

There's a powerful light  
When I look in your eyes  
There's something in me that I can't contain  
There's a burning desire  
An unquenchable fire  
And it's something just I can't explain

I wanna tell you how I feel  
What we had was more than real  
The more I try, the more I can't find the way  
There's nothing that's never been said  
Never been written up and read  
The way I feel about you  
Is more than words can say

Every moment in time  
I struggle to find  
A way to return what you gave to me  
It's a spiritual thing  
A heavenly rain  
That keeps on falling endlessly

If only my heart could talk  
It would say it all

Can Say  
More than words can say
