

## In the Absence of the Sacred

Lamb of God

Violence, a natural reaction in a society  
Whose advances are limited to its new technology  
Different only in the current mode of destructive intent

Data has replaced real life in this world  
No hope for the stop of progress  
Inevitable bio-link implant  
Will replace the feel of human touch

All memory surrogates downloaded  
Bought and sold, no true sense of self  
Impending sensory death looming near

A number, this is what you've become  
Life digitized itemized commodified  
Ha, ha, ha, this is what you work for
