Lamb

Ba da, ba da, ba da, ba da  
Ba da, ba da, ba da, ba da

It's in your eyes  
And the way you move  
You got music in your step

A kind of glow  
Like you walk with the heat turned up  
So brightly above

Suddenly I see  
I go ba da, ba da, ba da, ba da, ba da, ba da  
Every time you walk in the room

No escape for me  
I go ba da, ba da, ba da, ba da, ba da, ba da  
Every time you're close to me

If I could just compose myself  
I'd radiate just the right amount of cool and heat  
So you'd never know how I tremble to touch you

Suddenly I see  
I go ba da, ba da, ba da, ba da, ba da, ba da  
Every time you walk in the room

No escape for me  
I go ba da, ba da, ba da, ba da, ba da, ba da  
Every time you're close to me

Ba da, ba da, ba da, ba da  
Ba da, ba da, ba da, ba da  
Ba da, ba da, ba da, ba da  
Ba da, ba da, ba da, ba da

Suddenly I see  
I go ba da, ba da, ba da, ba da, ba da, ba da  
Every time you walk in the room

No escape for me  
I go ba da, ba da, ba da, ba da, ba da, ba da  
Every time you're close to me
