

Cottonwool

Lamb

You could stay here
Make your home here
Hide away here
I could wrap you up in cotton wool

I could stay there
Make my home there
Hide away there
I could wrap you up in cotton wool

You could stay here
Make your home here
Hide away here
I could wrap you up in cotton wool

I could stay there
Make my home there
Hide away there
Wrap you up in cotton wool

I would wrap you up in cotton wool
