

# Heaven

Lamb

Soon, come soon  
Sweet so sweet  
Falling soft  
Between the sheets

This could be  
Heaven right  
Here on earth  
This could be Heaven  
This could be  
Heaven right  
Here on earth  
This could be Heaven

Please, you please  
Mine, be mine  
Forever  
And all time

This could be  
Heaven right  
Here on earth  
This could be Heaven  
This could be  
Heaven right  
Here on earth  
This could be Heaven

Sleep, to sleep  
Sigh on sigh  
On a lovers  
Lullaby

This could be  
Heaven right  
Here on earth  
This could be Heaven  
This could be  
Heaven right  
Here on earth  
This could be Heaven

This could be Heaven  
This could be Heaven  
This could be Heaven  
This could be  
Heaven
