Heaven

Soon, come soon Sweet so sweet Falling soft Between the sheets This could be Heaven right Here on earth This could be Heaven This could be Heaven right Here on earth This could be Heaven Please, you please Mine, be mine Forever And all time This could be Heaven right Here on earth This could be Heaven This could be Heaven right Here on earth This could be Heaven Sleep, to sleep Sigh on sigh On a lovers Lullaby This could be Heaven right Here on earth This could be Heaven This could be Heaven right Here on earth This could be Heaven This could be Heaven This could be Heaven This could be Heaven This could be Heaven
