Cowboy On The Moon

Lambchop

and i have visions like scars are in the sky boiling water is running from your eye and all our trouble cannot be gone too soon a cowboy on the moon and i am stupid i clutter up my mind i'm always sorry for somebody left behind and i will write you when i can find the time a cowboy on the moon

when i was little we gathered round the set remote controls were not invented yet an historic moment and now i have two pets a cowboy on the moon the blessed buttons and the sacred sandwich a happy hamper in which to put my clothes a texas spaceman and a boy named buzz a cowboy on the moon
