

# I'm A Stranger Here

Lambchop

Ain't it hard to stumble  
When you've got no place to fall  
In this whole wide world  
Yes i go no place at all

I'm a stranger here  
I'm a stranger everywhere  
I would go home, but honey  
I'm a stranger there

Hitched up my buggy  
And saddled my black mare  
Gonna find me a fair deal  
In this world somewhere

I'm a stranger here  
I'm a stranger everywhere  
I would go home, but honey  
I'm a stranger there

I looked down the track  
As far as i could see  
And a little bitty hand  
Just a-wavin' back at me

I'm a stranger here  
I'm a stranger everywhere  
I would go home, but honey  
I'm a stranger there
