

I've Been Lonely For So Long

Lambchop

Won't somebody help me please
'Cause I've been lonely for so long
Don't seem like happiness will come along
I've been lonely for so long
Don't seem like happiness will come along

These ain't clouds rain over my head
Everybody's throwing rocks in my bed
Just can't seem to get ahead in life
Nothing I do ever turn out right

Won't somebody help me please
'Cause I've been lonely for so long
Don't seem like happiness will come along
I've been lonely for so long
Don't seem like happiness will come along

I lay awake every night
Trying to figure out how to make things right
There's got to be a better way I know
To shake this monkey off 'cause it's making me so

Won't somebody help me please
'Cause I've been lonely for so long
Don't seem like happiness will come along
I've been lonely for so long
Don't seem like happiness will come along

Yes I know what it feels like to be lonely
To have your friends turn their backs on you
Yes I've been lonely
Never know the real meaning of peace and harmony, yeah

I lay awake most every night
Trying to figure out how to make things right
There's got to be a better way I know
To shake this monkey off "cause it's making me so

Won't somebody help me please
'Cause I've been lonely for so long
Don't seem like happiness will come along
I've been lonely for so long
Don't seem like happiness will come along
