

# Under A Dream Of A Lie

Lambchop

Give up like a man  
I've seen that you are serious  
Holier than thou art  
How can we say we are ready yet?

Under a dream of a lie  
Under a dream of a lie  
Under a dream of a lie  
Under a dream of a lie

How can you tell  
Resort to all selfishness?  
Dreams they do run dry  
I can dream ,I'm not afraid

Under a dream of a lie  
Under a dream of a lie  
Under a dream of a lie  
Under a dream of a lie

Scandinavian hardener  
Drifted from Duluth  
Thought you mentioned something like  
This is what we do

Under a dream of a lie  
Under a dream of a lie  
Under a dream of a lie  
Under a dream of a lie
