

Blue Jeans

Lana Del Rey

Blue jeans, white shirt
Walked into the room you know
you made my eyes burn
It was like, James Dean, for sure
You're so fresh to death and sick as cancer
You were sorta punk rock, I grew up on hip hop
But you fit me better than my favourite sweater
and I know
That love is mean, and love hurts
But I still remember that day
We met in December, oh baby!

I will love you till the end of time
I would wait a million years
Promise you'll remember that you're mine
Baby can you see through the tears?
Love you more than those bitches before
Say you'll remember, oh baby,
say you'll remember, baby ohhh
I will love you till the end of time

Big dreams, gangsta
Said you had to leave to start your life over
I was like - No please, stay here
We don't need no money
we can make it all work
But he headed out on Sunday,
said he'd come home Monday
I stayed up waitin', anticipatin' and pacin'
But he was chasing paper
Caught up in the game
that was the last I heard

I will love you till the end of time
I would wait a million years
Promise you'll remember that you're mine
Baby can you see through the tears?
Love you more than those bitches before
Say you'll remember, oh baby,
say you'll remember, baby ooohhh
I will love you till the end of time

You went out every night
And baby that's alright
I told you that no matter what you did
I'd be by your side

'Cause imma ride or die
Whether you fail or fly
Well shit at least you tried
But when you walked out that door,
a piece of me died
I told you I wanted more,
but that's not what I had in mind
I just want it like before
We were dancin' all night
Then they took you away

Stole you out of my life
You just need to remember...

I will love you 'till the end of time
I would wait a million years
Promise you'll remember that you're mine
Baby can you see through the tears?
Love you more, than those bitches before
Say you'll remember, oh baby,
say you'll remember, baby ohhh
I will love you till the end of time
