

# Blue Jeans

Lana Del Rey

Blue jeans, white shirt  
Walked into the room you know  
you made my eyes burn  
It was like, James Dean, for sure  
You're so fresh to death and sick as cancer  
You were sorta punk rock, I grew up on hip hop  
But you fit me better than my favourite sweater  
and I know  
That love is mean, and love hurts  
But I still remember that day  
We met in December, oh baby!

I will love you till the end of time  
I would wait a million years  
Promise you'll remember that you're mine  
Baby can you see through the tears?  
Love you more than those bitches before  
Say you'll remember, oh baby,  
say you'll remember, baby ohhh  
I will love you till the end of time

Big dreams, gangsta  
Said you had to leave to start your life over  
I was like - No please, stay here  
We don't need no money  
we can make it all work  
But he headed out on Sunday,  
said he'd come home Monday  
I stayed up waitin', anticipatin' and pacin'  
But he was chasing paper  
Caught up in the game  
that was the last I heard

I will love you till the end of time  
I would wait a million years  
Promise you'll remember that you're mine  
Baby can you see through the tears?  
Love you more than those bitches before  
Say you'll remember, oh baby,  
say you'll remember, baby ooohhh  
I will love you till the end of time

You went out every night  
And baby that's alright  
I told you that no matter what you did  
I'd be by your side

'Cause imma ride or die  
Whether you fail or fly  
Well shit at least you tried  
But when you walked out that door,  
a piece of me died  
I told you I wanted more,  
but that's not what I had in mind  
I just want it like before  
We were dancin' all night  
Then they took you away

Stole you out of my life  
You just need to remember...

I will love you 'till the end of time  
I would wait a million years  
Promise you'll remember that you're mine  
Baby can you see through the tears?  
Love you more, than those bitches before  
Say you'll remember, oh baby,  
say you'll remember, baby ohhh  
I will love you till the end of time
