

Born To Die

Lana Del Rey

..Why!.....Who me!.....Why!....

Feet don't fail me now, take me to the finish line
All my heart, it breaks every step that I take
But I'm hoping that the gates, they'll tell me that you're mine

1. Walking through the city streets, is it by mistake or design
I feel so alone on a friday nights,
Can you make it feel like home, if I tell you you're mine
It's like I told you honey

R: Don't make me sad, don't make me cry
Sometimes love's not enough when the road gets tough
I don't know why, keep making me laugh,
Let's go get high, Road's long, we carry on
Try to have fun in the meantime

Come and take a walk on the wild side
Let me kiss you hard in the pouring rain
You like your girls insane, choose your last wods
This is the last time, cause you and I, we were born to die

2. Lost but now I am found, I can see once I was blind
I was so nocfused as a little child
Trying to take what I could get
Scared that I couldn't find, All the answers, honey

R: Don't make me sad, don't make me cry...

Come and take a walk on the wild side...
we were born to die, we were born to die

Come and take a walk on the wild side
Let me kiss you hard in the pouring rain, you like your girls insane

R: Don't make me sad, don't make me cry...

Come and take a walk on the wild side...
