

China Doll

Lana Del Rey

Everything I want I have:
Money, notoriety, riviervas.
I even think I found God
In the flash bulbs of your pretty cameras,
Pretty cameras, pretty cameras.
Am I glamorous? Tell me, am I glamorous?

Hello? Hello?
Can you hear me?
I can be your china doll
If you want to see me fall.
Boy you're so dope,
Your love is deadly.
Tell me life is beautiful,
They all think I have it all.
I have nothing without you.
All my dreams and all the lights mean
Nothing without you.

Summertime is nice and hot,
And my life is sweet like vanilla is.
Gold and silver line my heart
But burned into to my brain all these stolen images,
Stolen images, baby, stolen images.
Can you picture this
What a life we could've lived?

Hello? Hello?...

We were two kids, just trying to get out,
Live on the dark side of the American dream.
We would dance all night, play our music loud,
When we grew up nothing was what it seemed.

Hello? Hello?... (2x)

All my dreams and all the lights mean
Nothing if I can't have you.
