

# Cinnamon Girl

Lana Del Rey

Cinnamon in my tea  
From your kiss, you're touching me  
All the pills that you did  
Violet, blue, green, red to keep me at arm's length don't work  
You try to push me out, but I just find my way back in  
Violet, blue, green, red to keep me out, I win

There's things I wanna say to you, but I'll just let you leave  
Like if you hold me without hurting me  
You'll be the first who ever did  
There's things I wanna talk about, but better not to keep  
But if you hold me without hurting me  
You'll be the first who ever did

Ah, ah, ah, ah, ah, ah  
Hold me, love me, touch me, honey  
Be the first who ever did  
Ah, ah, ah, ah, ah, ah  
Hold me, love me, touch me, honey  
Be the first who ever did

Kerosene in my hands  
You make me mad, I'm fire again  
All the pills that you did  
Violet, blue, green, red to keep me at arm's length don't work

There's things I wanna say to you, but I'll just let you leave  
Like if you hold me without hurting me  
You'll be the first who ever did  
There's things I wanna talk about, but better not to keep  
But if you hold me without hurting me  
You'll be the first who ever did

Ah, ah, ah, ah, ah, ah  
Hold me, love me, touch me, honey  
Be the first who ever did  
Ah, ah, ah, ah, ah, ah  
Hold me, love me, touch me, honey  
Be the first who ever did
