

Go Go Dancer

Lana Del Rey

I drop it like it's hot,
On the pole, on the pole.
Shining in the club,
Neon gold, neon gold.

They call me firecracker,
And alcohol's a factor.

I drop it like it's hot,
Baby, bolt, baby, bolt.
A little bit of fun,
For your soul, for your soul.

They call me firecracker,
'Cause ain't nobody faster.

I'm your go-go dancer,
Midnight answer,
Jukebox sweetheart,
Queen of the night.

Vegas, baby,
If you pay me,
Anything you like,
Anything you like.

Go-go dancer,
Midnight answer,
Jukebox sweetheart,
Queen of the night.

Vegas, baby,
If you pay me,
Anything you like,
Go, g-go, g-go,
Dancing tonight.

Pushin' up my, uh,
In your face, in your face.
Keep your fingertips,
On my waist, on my waist.

I'm your go-go dancer,
Credit card romance.

Corner of the road,
With the lights, with the lace,
Catch me after twelve,
In the place, yeah the place.

Boy, make out your dollars,
Baby, needs a new fur.

I'm your go-go dancer,
Midnight answer,
Jukebox sweetheart,
Queen of the night.

Vegas, baby,
If you pay me,
Anything you like,
Anything you like.

Go-go dancer,
Midnight answer,
Jukebox sweetheart,
Queen of the night.

Vegas, baby,
If you pay me,
Anything you like,
Go, g-go, g-go,
Dancing tonight.

Girl next door,
Let me come in.
I know I go-go dance,
But I do it for kicks.

I'll never have to work,
'Cause my daddy is rich.
I'm partyin' all night,
Shinin' in the lights.

Is it a crime,
To wanna shine,
In my white,
Go-go boots and my,
Silver design,
I know it makes you wild,
I know it makes you wild!

I'm your go-go dancer,
Midnight answer,
Jukebox sweetheart,
Queen of the night.

Vegas, baby,
If you pay me,
Anything you like,
Anything you like.

Go-go dancer,
Midnight answer,
Jukebox sweetheart,
Queen of the night.

Vegas, baby,
If you pay me,
Anything you like,
Go, g-go, g-go,
Dancing tonight
