

Put Me In A Movie

Lana Del Rey

Lights, camera, action
If he likes me, takes me home
Lights, camera, action
If he likes me, takes me home
Lights, camera, action
If he likes me, takes me home

Come on, you know you like little girls
Come on, you know you like little girls
You can be my daddy
You can be my daddy

Lights, camera, action
He didn't know he'd have this much fun
Lights, camera, action
He didn't know he'd have this much fun
Lights, camera, action
He didn't know he'd have this much fun

Come on, you know you like little girls...

You my small sparkle jump rope queen
You my small sparkle
You my small sparkle jump rope queen
You my small sparkle

Lights, camera, action
You know I can't make it on my own
Put me in a movie
Put me in a movie
You can be my daddy
You can be my daddy
Put me in a movie
You can be my daddy
