

## West Coast

Lana Del Rey

Down on the West Coast, they got a sayin'  
If you're not drinking, then you're not playing  
But you got the music, you've got the music in you  
Don't you?

Down on the West Coast, I get this feeling, like  
It all could happen, that's why I'm leaving you for the music  
You for the music, it's true  
It's true

I push it hard, You pull away  
I'm feeling hot and on fire  
I'm feeling like there's no one else,  
That brings me higher and higher  
Te deseo cariño  
Boy, it's you I desire  
Your love, your love, your love

I can see my baby swinging  
His Parliament's on fire and his hands are up  
On the balcony and I'm singing  
Ooh baby, ooh baby, I'm in love

I can see my sweet boy swaying  
He's crazy e Cubano como yo, my love  
On the balcony and I'm saying  
Move baby, move baby, I'm in love  
I'm in love  
I'm in love  
(I'm in love)  
(I'm in love)

Down on the West Coast, they got their icons  
The silver starlets, their queens of Saigon's  
But you got the music, you've got the music in you  
Don't you?

You pull me Close, I push away,  
I'm feeling hot to the touch  
You say you miss me and I wanna say, "I miss you so much!"  
But something keeps me really quiet  
I'm alive, I'm a lush  
Hold me Close when You say:  
"Hush, Baby hush!"

I can see my baby swinging  
His Parliament's on fire and his hands are up  
On the balcony and I'm singing  
Ooh baby, ooh baby, I'm in love  
I can see my sweet boy swaying  
He's crazy e Cubano como yo, my love  
On the balcony and I'm saying  
Move baby, move baby, I'm in love

I can see my baby swinging  
His Parliament's on fire and his hands are up  
On the balcony and I'm singing

Ooh baby, ooh baby, I'm in love  
I can see my sweet boy swaying  
He's crazy e Cubano como yo, my love  
On the balcony and I'm saying  
Move baby, move baby, I'm in love  
I'm in love  
I'm in love  
I'm in love
