

Starrider

Lana Lane

I stole a ride... on a passing star...
Not knowing where I was going, how near or how far."

" Through years of light... lands of future and past...
'Til the Heavenly gaze... was sighted at last. "

" Star-rider... (rider-RIDER)
... take me to the stars. "

" Star-rider... (rider-RIDER)
... show me where you are! "

" Northern Lights flash by... and then they were
gone...
and the old stars were dying... so the new ones were
born."

" Ever on our own... celestial ways...
And in the light of my years... shown the rest of my
days. "

" Speed increasing, all control is in the hands of
those who know! "

" Will they help us grow?... to one day peace -
star*rider !!! "

" Star-rider... (rider-RIDER)
... show me where you are."

" Star-rider... (rider-RIDER)
... take me to the stars!"

" Speed increasing, all control is in the hands of
those who know! "

" Will they help us grow?... to one day peace -
STAR*RIDER !!! "
