Lansdowne

Get up, rise up, it's take to make a move
Pissed off, with no love, got nothing left to lose
One more, well I got yours
You paid up, and fed up, but what'd they done for you ?
Bullshit, hypocrites, 'ya sick of getting screwed
One more, well I got yours
What are you waiting for ?

We're gonna light it up, put your fingers in the air
If you had enough, gotta let 'em know we're here
We're not gonna take it
No more

The shirt, and the tie, to the assembly line
Main street, follow me, 'cause this is our time
One more, well I got yours,
One voice, singing loud, just like a loaded gun
Blue Collar Revolver, yea let's get it on
One more, well I got yours
What are you waiting for ?

We're gonna light it up, put your fingers in the air
If you had enough, gotta let 'em know we're here
We're not gonna take it no more (what are you waiting for ?)

We're gonna light it up, put your fingers in the air
Screaming Hey (Hey), You (You)
Gotta let 'em know we're here
We're not gonna take it no more

We're gonna light it up, put your fingers in the air
If you had enough, gotta let 'em know we're here
We're not gonna take it no more (what are you waiting for ?)
