

The Secret That You Keep

Lansdowne

Looking back I can't think right,
We fell apart and out of touch,
But still I try (still I try),
To make the pieces fit again,
I can't do this on my own,
If you'd just pick up the phone.

Everybody's asking questions,
Wondering what you are to me.
What am I supposed to tell them?
Am I just the secret that you keep?
It's funny that I can't find the words,
When it's you that just won't speak.
Am I everything you want, or the secret that you keep?

Morning comes and we pretend,
To play the part and not to say that,
"We're just friends."
But this veil is wearing thin,
I can't handle all the lies,
Just open up your eyes.

Everybody's asking questions,
Wondering what you are to me
What am I supposed to tell them?
Am I just the secret that you keep?
It's funny that I can't find the words,
When it's you that just won't speak
Am I everything you want, or the secret that you keep?

I'm going crazy, just tell me what you want from me,
Make up your mind, stop wasting my time.
I just wanna hear you say you feel the way I do,
Make up your mind, stop wasting my time.

Everybody's asking questions,
Wondering what you are to me
What am I supposed to tell them?
Am I just the secret that you keep?
It's funny that I can't find the words,
When it's you that just won't speak
Am I everything you want?
Am I everything you want?
Or the secret that you keep?
