Hot Lights

LANY

Hey, this night is young let's have some fun
Turn up, turn it up
Hey, let's break it down to some funky town
What up, moving it to the sound

(x2):
Get yourself out on the floor, if you don't know, now you know
Gonna dance all night lets go, you and I put on a show

Oh, vibe the scene, smoke machines
Hot lights, give me lights
Oh, make your face, and ride the daze
Hip hop, don't stop, let the music play

(x3):
Get yourself out on the floor, gonna dance all night let's go
