

Bad Boy

Lapko

Back in the rattling days you
blustered 'Leather, forever'
Nothing gave you more than
surface
Your old fashion bicycle was
stolen from your stepfather's
You inhaled smoke
bragging day by day
I adored your coat
It gave you super force and
rutting dates of course

I don't want to feel fear anymore
The King loves black so I say
'Leather, forever'
I see the light at the end of the
tunnel
I don't have fear anymore
So, I say 'Leather, forever'

I adored your coat
It gave you super force and
rutting dates of course
I bet you were sad but never
showed it
You hid it all in the forest
during lunch break

Now the magic is gone and you
can't get it back

All religions are boring as fuck
