

## Bad Boy

Lapko

Back in the rattling days you  
blustered 'Leather, forever'  
Nothing gave you more than  
surface  
Your old fashion bicycle was  
stolen from your stepfather's  
You inhaled smoke  
bragging day by day  
I adored your coat  
It gave you super force and  
rutting dates of course

I don't want to feel fear anymore  
The King loves black so I say  
'Leather, forever'  
I see the light at the end of the  
tunnel  
I don't have fear anymore  
So, I say 'Leather, forever'

I adored your coat  
It gave you super force and  
rutting dates of course  
I bet you were sad but never  
showed it  
You hid it all in the forest  
during lunch break

Now the magic is gone and you  
can't get it back

All religions are boring as fuck
