

Dead Disco

Lapko

On the head of the cock
is a young boy waiting for a
good-night kiss
on the head of the cock
is the home of rapist's dirty fists
on the head of the cock
is a fortress of beauty and war

...But they never wanna talk
about the consequence

Dear Romeo
Can I see you on the rodeo
Can I hear you when you howl
Super Ego Romeo

On the head of the cock
just wanna get, just wanna give
on the head of the cock
lives an actor
on the head of the cock
you run home to live your life

...But they never wanna talk
about the consequence

Dear Romeo
Can I see you on the rodeo
Can I hear you when you howl
Super Ego Romeo

I want to be loved
to bury some of my phobias
I want to give love and hold you
flowers at my funeral

Dear Romeo
After the rodeo
This disco is dead and you lay
wounded
And we can never ever
fix this accident
And in any case
You lay wounded
