

Killer Whales

Lapko

I love dreaming
I love passion
I love fever
I have a father whom my name
has come from
So, I'm not another one

Killer Whales in giant waves
We've never thought in other
ways
In another shore somebody waves

There is a limit
How much we can hurry
How far we get carried
The rain doesn't care
If you can't swim to another party
I'm so sorry

Tip, tip, tap
Blue apples fall
I never thought
I'd let an apple
fall
To giant waves
