

Not Your Son

Lapko

I'm on your side
I clean your shoes
But give me a chance to break the
silence once
Give me a break, I'm not your son
I'm on your side
I clean your shoes
...I'm not your son

Trust me that I care like
you have done
Give me your blessing, I was wrong
I'm on your side
I clean your shoes
Touchdown, You got the ball
Just give me a break, I'm not a doll
I'm on your side
I clean your shoes

I'm on your side
I clean your fucking shoes
I obey your little rules
So hold me
Baby hold me, Please hold me
Baby hold my shaking hand
Please hold my shaking hand
