Paranoid  
Not paranoid  
Paranoid  
Not paranoid

There was a girl  
in a beautiful world  
She left behind  
a shine you can see  
But not with your eyes  
Once I slept in her bunk bed  
Alone  
I didn't want to go home

She had sisters  
Dancing queens  
The perfect trio  
Unique sister  
Dancing queens  
The perfect trio  
For my desire
