

Quit You Now

Lapush

It's getting late if you want to go home, it's all right
I've seen the way the lines look on your face in pale lights, I
know

Walk when you're fine walk when you're right
Spend all your time you spend your whole life inside your own..

.

I'm not scared
I'm not tired
I won't begin to quit you now
And if I'm half way from dead
I won't begin to quit you now
I can't convince you that I missed you, I missed you
I'm in over my head I'm begging please stay and weather the storm

Walk when you're fine walk when you're right
Spend all your time you spend your whole life inside your own..

.

I'm not scared
I'm not tired
I won't begin to quit you now
And if I'm half way from dead
I won't begin to quit you now
I won't let you down
No I won't...

I'm not scared
I'm not tired
I won't begin to quit you now
And if I'm half way from dead
I won't begin to quit you now
