

Calling You

Lara Fabian

Desert road from Vegas to nowhere
Someplace better than where you've been
A coffee machine that needs some fixing
In a little cafe just around the bend

I am calling you
Can't you hear me
I am calling you

Hot dry wind blows right through me
A baby's crying and I can't sleep
We both know a change is coming
It's coming closer
Sweet release

I am calling you
I know you hear me
I am calling you

I am calling you
I know you hear me
I am calling you
