

I Am A-WA

Lara Fabian

Enter the space in the dark,
Search for your own spark,
Enter this place of your whole undivided and one.
Don't pray for love and love yourself,
Don't kill your pain make it your strength,
Hear your wisdom
Calling within
Holding your every desire,
Playing with your mourning heart,
Feel all and nothing.
Nothing is life,
Inside this vacuity: your throne,
Your kingdom will be ruthless.
Your company will hurt

Most of your dreams will be shattered by a curse,
Your crimes will deny how splendid you are,
You will be human,
I'm here no fear,
I'm here no fear.

I am A-WA the light of your heart of your soul,
I am both of your memories your spirit is my own,
I am all of your senses, the strangest part.
I am your OTHER half your home!

I am A-WA the light of your heart of your soul,
I am both of your memories your spirit is my own,
I am all of your senses, the strangest part.
I am your OTHER half your home!
