

# I'm Breakable

Lara Fabian

Touched me so soft you made me cry  
Looked in my eyes and read my mind  
I am falling, falling  
I hold my breath afraid to look  
Weightless I feel you lift me up  
Feels like falling, I am falling

And from this height  
I'm petrified  
Oh, I realize  
I'm breakable  
I'm breakable  
I'm petrified  
But I'm alive  
I'm breakable  
I'm breakable

You changed the plan erased the past  
I don't know how it came so fast  
I am falling, I am falling  
How did you mend these broken wings  
Now that you've saved these fragile wings

I am falling, falling

And from this height  
I'm petrified  
Oh, I realize  
I'm breakable  
I'm breakable  
I'm petrified  
But I'm alive  
I'm breakable

When I'm in your arms  
I feel so safe  
That even if I break  
I'll be all right  
I'll be all right

I'm insecure there is no shame  
Until you say my name  
Then I'm all right  
I'm breakable  
I'm breakable

Might have to fight to stay alive
