

I Will Love Again

Lara Fabian

Did I ever tell you how you live in me
Every waking moment, even in my dreams
And if all this talk is crazy
And you don't know what I mean
Does it really matter
Just as long as I believe
I will love again
Though my heart is breaking I will love again
Stronger than before
I will love again
Even if it takes a lifetime to get over you
Heaven only knows, I will love again
People never tell you
The way they truly feel
I would die for you gladly
If I knew it was for real
So if all this talk sounds crazy
And the words don't come out right
Does it really matter
If it gets me through this night
I will love again
Though my heart is breaking I will love again
Stronger than before
I will love again
Even if it takes a lifetime to get over you
Heaven only knows
If I'm true to myself
Nobody else can take the place of you
But I've got to move on
Tell me what else can I do
I will love again
Though my heart is breaking I will love again
Stronger than before
I will love again
Even if it takes a lifetime to get over you
Heaven only knows, I will love again
I will love again
I will love again
One day I know, I will love again
You can't stop me from loving again,
Breathing again
Feeling again
I know, one day, I'll love again
