

# Unbreakable

Lara Fabian

Outside  
This room  
No one ever sees the whole me  
Only stronger side  
But inside  
This heart  
There is much to know  
About me  
Words can not describe

If you look  
If you really read between the lines  
You will see  
This is just a disguise  
A disguise

Taking a look beyond these eyes  
It'll take you right around my heart  
I feel  
You should know  
That I'm not unbreakable  
It's hard for me to show the other side  
Telling you but it isn't lie You  
You know  
That I'm not unbreakable

I'm scared and frightened  
Who will give this soul asylum  
Protect me beyond these walls  
Can't stand this breaking and falling  
All of these mistakes I'm making  
Finally crystalise

Now I look  
I really read between the lines  
Now I see  
I don't need to disguise  
No disguise

Taking a look beyond these eyes  
It'll take you right around my heart  
I feel  
You should know  
That I'm not unbreakable  
It's hard for me to show the other side  
Telling you that it isn't lie You  
Do you know  
That I'm not unbreakable

Now  
There's no where else to hide  
Nothing more to fight  
Being alive

That I'm not unbreakable  
It's hard for me to show the other side  
I'm telling that it isn't lie

Read me you'll know  
That I'm not unbreakable  
You read me you'll know  
That I'm not unbreakable  
You read me you'll know  
That I'm not unbreakable
