

# We are the Flyers

Lara Fabian

Never fly before you can  
Make sure you don't have to land  
Or somebody's gonna to hurt  
Gravity has the final word  
And it's always gonna win

There's gonna come the time  
You gonna be in the safe safe place to fall  
Oh, oh  
Before you say goodbye  
You better make sure you've said it all  
Oh, oh

So come and hold me tight  
Let's just let's dance on the wire  
Don't worry cause tonight  
Tonight we are the flyers

Never lie unless you can  
Remember words come back again  
Just like faders in the wind  
They can rise and fall and spin  
Sometimes they will lock you in

There's gonna come the time  
You gonna be in the safe safe place to fall  
Oh, oh  
Before you say goodbye  
You better make sure you've said it all  
Oh, oh

So come and hold me tight  
Let's just let's dance on the wire  
Don't worry cause tonight  
Tonight we are the flyers

So come and hold me tight  
Let's just let's dance on the wire  
Don't worry cause tonight  
Tonight we are the flyers

So come and hold me tight  
Let's just let's dance on the wire  
Don't worry cause tonight  
Tonight we are the flyers
