

# You Are My Heart

Lara Fabian

How did I ever get to here  
Why do I need you  
Why do I have to cry these tears  
Where do they lead to  
I used to be so strong alone  
When I was standing on my own  
Now I don't know what to do  
Was I too proud or just too blind  
What does it matter  
When love was in these hands of mine  
I let it shatter  
The pieces scattered to the wind  
I'll never have them here again  
But I'll remember how we were  
The rest of time

You are my heart  
How could I ever let you go  
You are my soul  
I had to lose my soul to know  
How much you mean  
To me, you are my heart

I think I see you everywhere  
Isn't that crazy  
I still reach out to feel you there  
Lying beside me  
I've learned a lot since you've been gone  
About what I am and what I want  
I know I only want to be in love with you

You are my heart  
How could I ever let you go  
You are my soul  
I had to lose my soul to know  
How much you mean  
To me, you are my heart

There's the sun to light the day  
My colors turned to gray  
The day I saw you walk away  
Now there's nothing left to say  
But when I dream, I pray  
That life could be like yesterday

You are my heart  
How could I ever let you go  
You are my soul  
I had to lose my soul to know  
How much you mean  
To me, you are my heart
