

Ikoku no machi...
Hanayakana yoru ga otozurete
Narihibiku rizumu ni awasete utai odoru

Kuroi hitomi ni utsuru youni nobashita yubisaki wa
Anata ni wa todokanai
Muryokuna odoriko

Matsuri no youni
Hitogomi ni minushimatta no ha
Narihibiku kodou no rizumu to kono omoi

Kuroi hitomi ni utsuru youni nobashita yubisaki wa
Anata ni wa todakanai

Taimatsu wo moyashi hi no tori wo yobi
Yomigaetta hibi wa kobore ochita namida dewa kesenai
Anata wa doko e kiete shimatta no?
Yoru no mahou ga toketa ikoku no machi

Ah... hino tori wo yobi
Yomigaetta hibi wa kobore ochita namida dewa kesenai
