

# John Wayne Walking Away

Lari White

What do you want me to say  
What voice do I have anyway  
I'll have to live with the fact  
That when you leave you won't look back  
While I die inside with every step you take

(So) Go ahead and ride off into the sunset  
Don't show your cards, don't show your pain  
Keep telling yourself it's either me or your freedom  
And leave me a memory that won't ever fade  
Like John Wayne walking, John Wayne walking  
John Wayne walking away  
Feels as lonesome as  
John Wayne walking, John Wayne walking  
John Wayne walking away

You cut through my life like the wind  
Your kiss still burns on my skin  
And ever jagged piece of my broken heart still beats  
For the day, for the chance  
I might see you again

(So) Go ahead and ride off into the sunset  
Don't show your cards, don't show your pain  
Keep telling yourself it's either me or your freedom  
And leave me a memory that won't ever fade  
Like John Wayne walking, John Wayne walking  
John Wayne walking away  
It's gonna haunt me like  
John Wayne walking, John Wayne walking  
John Wayne walking away

You were larger than life  
And God knows how hard I'll try  
But I'm never gonna love this way again

It's like John Wayne walking, John Wayne walking  
John Wayne walking away  
It's gonna haunt me like  
John Wayne walking, John Wayne walking  
John Wayne walking away  
It kills me baby  
Just like John Wayne walking away  
It's gonna haunt me, yeah  
Just like John Wayne walking away  
Kills me baby, oh, oh, oh  
It's like John Wayne walking away  
It's like John Wayne walking, John Wayne walking  
John Wayne walking away Ooo, Ooo
