

# One More Time

Lari White

I know  
You're sneakin' out the back door  
Taking it down the street

And I know  
You're thinking that you got some  
Little secret up your sleeve

But I know  
You'll be back around  
With your hat twisted in your hand

Beggin' me please  
And I bet I let you in again  
'Cause it's just

One more drop in the bucket  
One more tear I've cried  
One more think I love to hate about you  
One more let it ride

That's the way you do me  
But when you do it to me  
I'm beggin' you to do it to me one more time  
Oh, do it to me one more time

Now I know  
You only ask for trouble  
Takin' up with a ladies man

But you know  
Just the thing to say  
When the spit really hits the fan

And Lord knows  
I'm sleepin' with the devil  
And there's gonna be some hell to pay

But you'll find a way  
Of making me believe  
That baby it's just

One more drop in the bucket  
One more tear I've cried  
One more think I love to hate about you  
One more let it ride

That's the way you do me  
But when you do it to me  
I'm beggin' you to do it to me one more time  
Oh, one more time

You spend my money till it's gone  
But then you rock me all night long  
The way you hurt me is a crime  
Oh, but the way you love me is so fine

Lord you make me crazy  
But when you do me baby  
I'm beggin' you to do it to me one more time

One more drop in the bucket, one more  
One more think I love to hate about you, one more  
One more drop in the bucket, one more  
One more think I love to hate about you, one more

One more drop in the bucket, one more  
One more think I love to hate about you, one more  
One more drop in the bucket, one more
