

# Somebody's Fool

Lari White

I've got a closet full of sensible shoes  
I keep my head never lose my cool  
I'm well known for my practical ways  
But ooh one of these days

I want to be somebody's fool  
I want to be somebody's fool  
Laughing in the rain  
Dancing in the dark  
Crazy in love up to my heart  
I want to be somebody's fool

Over the edge head over heels  
Out of control how does that feel  
Just for once in my logical life  
Ooh I gotta know what it's like

I want to be somebody's fool  
I want to be somebody's fool  
Laughing in the rain  
Dancing in the dark  
Crazy in love up to my heart  
I want to be somebody's fool

Laughing in the rain  
Dancing in the dark  
Crazy in love up to my heart  
I want to be somebody's fool  
I want to be somebody's fool
