Spread The Word

Lari White

(Lari White/Chuck Cannon/Bebe Winans) I got the scoop I got the skinny it's the truth and there ain't Any doubt about it I'm in the groove it's got me movin give me room I got to sing I gotta shout it Something laid a hold on me and won't let go It touched my soul set my spirit free and now I know I gotta I gotta Spread the word Spread the word Don't be disturbed haven't you heard About the only word that brings us all together Be not afraid the debt is paid The word that made us saved us Always and forever Shout it from the mountains to the valley low Open up your heart and let the feeling flow Spread the word Spread the word There`s an answer to your prayer Take my hand I`ll take you there Together we will take the message everywhere Spread the word Spread the word There's an answer to your prayer Take my hand I`ll take you there Let's spread the word spread the word And the word is the word is Love Tell your brother tell your sister Tell your lover tell you mister Tell the preacher tell the teacher Everybody everyone tell the world that the word is Love The word is love The word is love Love Spread the word
