

Wishes

Lari White

If wishes were horses
I'd ride a fast one
If wishes were wings
I'd fly wild and free

If wishes were trains
I'd be on the last one
If wishes came true
You'd be loving me

If wishes were blue skies
I'd never get rained on
I'd walk in the sun
Whenever I please

If wishes were dreams
I'd dream the same one
Over and over
Of you loving me

I whisper your name
On each star I see falling
That old wishing well
Gets each penny I find

And every year I blow out every candle
And close my eyes
And wish you were mine
Oh, if wishes came true
Then you would be mine
