

Freedom

Larkin Poe

My troubles roll like a third wheel
We make a strange trinity
The Holy Ghost and the Spirit
Don't wanna move in me

'Cause it's you and me and the devil
Yes, and the devil makes three
He talks to me and I fear it
He's spinning lies you can't see

Freedom, freedom
Freedom, freedom
But, mama dear, mine's demons
Demons, demons
Freedom, freedom
Feels like he'll never be
Like he'll never be, never be
They're never done with me
Never gonna be, never gonna be free

Black flowers grow in my garden
I put them all in a vase
Good times may shock up a bargain
But I cross my heart, just in case

Freedom, freedom
Freedom, freedom
But, mama dear, mine's demons
Demons, demons
Freedom, freedom
Feels like he'll never be
Like he'll never be, never be
They're never done with me
Never gonna be, never gonna be free

I need some freedom, freedom
Freedom, freedom
But, mama dear, mine's demons
Demons, demons
Freedom, freedom
Feels like he'll never be

I need some freedom, freedom
Freedom, freedom
No, mama dear, mine's demons
Demons, demons
Freedom, freedom
Feels like he'll never be
Like he'll never be, never be
They're never done with me
Never gonna be, never gonna be free
