

Look Away

Larkin Poe

Oh, lord, what did I see?
Rage in the mirror looking back at me
I chained my dreams in my backyard
The birds won't sing coming up give me peace of mind
Oh lord, what do I do? Forgot how to lie, how to tell the truth
I'm in the crosses, like a die-hard
Don't need prayer, got a hand on this piece of mine

Who gon' rise? Aha
Who gon' raise? Aha!
With my body feeling weak all the time
Who gon rise? Aha
Who gon' raise? Aha!
When you know there's nothing left for me to say

Look away

Wide eyes spill it all out
Got you pinned on the fangs of a cottonmouth
Putting you down, setting you up
Sky and ground flipped around like a juggernaut
Wide eyes gotta get clear, clear as the air gonna disappear
Wash of blood, gave too much
Slam it shut, ricochet like a gunshot

Who gon' rise? Aha
Who gon' raise? Aha!
With my body feeling weak all the time
Who gon rise? Aha
Who gon' raise? Aha!
When you know there's nothing left for me to say

Look away

Mm mm
