

Leave It Up To God To Handle

Larry Norman

You got to leave it up to God, leave it up to God,
Leave it up to God to handle.
You got to leave it up to God, leave it up to God,
Leave it up to God to handle.

Well if your friends they betray you
And your woman runs away
And if you lose all your money
And you have no place to stay.
And if you're feeling so downhearted
You just can't face another day.
You got to leave it up to God to handle.

You got to leave it up to God, leave it up to God,
Leave it up to God to handle.
You got to leave it up to God, leave it up to God,
Leave it up to God to handle.

And when you're sick and feeling weary
And you don't know where to turn.
And your life has been so troubled
That it just makes your memories burn

Well if your health keeps getting worse
Then this is something you must learn
You got to leave it up to God to handle.

You got to leave it up to God, leave it up to God,
Leave it up to God to handle.
You got to leave it up to God, leave it up to God,
Leave it up to God to handle.

So grab a chair, and sit beside me
There are a few things that I know
About the Lord and his provision
And how he never lets us go
We're in his hands and he will help us
So when you're feeling down and low.
You got to leave it up to God to handle.

You got to leave it up to God, leave it up to God,
Leave it up to God to handle.
You got to leave it up to God, leave it up to God,
Leave it up to God to handle.
