

# One Foot Toward The Grave

Larry Norman

I don't know what the future holds, I don't know what  
Life will bring  
But I ain't worried 'bout nothing, 'cause God's figured  
Out everything.  
I got one foot on the earth, one foot toward the grave.  
But I know in whom I have believed, and I will be  
Saved.

Well, you might lose your father, you might lose your  
Brother,  
You might lose your sister, you might lose your mother,  
Every one you know and love has one foot toward the  
Grave.  
But if they know in whom they have believed, they shall  
Be saved.

Life among the living sometimes seems so strange  
People say they love you, then people change,

You might be tired from the journey, sad beyond your  
Years,  
But remember in our father's house, there are no tears.

This world is going crazy, it's coming to an end.  
But do not be afraid, reach out and love your friends.  
Pray for your enemies that they shall not be enslaved.  
If they know in whom you have believed they shall be  
Saved.

It doesn't matter how you've fallen, let it pass with  
The wind,  
Love covers a multitude of sins.  
Get up and keep on walking, resist those things you've  
Craved,  
For if you walk with him in whom you have believed, you  
Shall be saved.
