

One Way

Larry Norman

One way, one way to Heaven
Hold up high your hands
One way, free and forgiven
Children of the Lamb

Two roads diverged in the middle of my life
I heard a wise man say
And I took the one less traveled by
And that's made the difference, every night and every day

So I say one way, one way to Heaven
Hold your heads up high
Follow, free and forgiven
Children of the sky
Children of the sky, halelu
Children of the sky
