Nothing really cannges Everything remains the same We are what we are till the day that we die

I don't believe in mircles Or stories with a happy end Do you suppose a miracle Is happening to me to me

Heaven is in your mind When love is in your heart

Na na na na na na na na Ha ha world Na na na na na na na

When you know a wonderful secret You don't let it go unsaid

I wish we'd all been ready
I wish we'd all been ready
